

4th Annual Meeting Belgian Society for Stem Cell Research (BeSSCR)

November, 24
2017

Chateau de Colonster
LIEGE

SPEAKERS

Cédric MAURANGE
IBDM

NSCs and stem cells plasticity

Silvia CAPPELLO
Max Planck

Developmental neurobiology cortical malformations

Ali BRIVANLOU
The Rockefeller University
Molecular basis of embryonic stem cells

Fiona DOETSCH
Unibas
Adult neural stem cells

Magdalena ZERNICKA-GOETZ
University of Cambridge
Specification of cell lineage and patterning of ES cells

Frédéric LLUIS
KU Leuven
Molecular control of embryonic stem cells
